## YOUR FLYCOVERED GROUND COVER+ AVIATION INSURANCE POLICY EXPLAINED

The FlyCovered Ground Cover+ Aviation insurance policy is not a traditional aviation insurance policy. It provides cover for each **aircraft** as shown in Item 3 of the **schedule**:

- whilst the **aircraft** is on the **ground** during the **policy period**; and
- for **flight** risk cover on day(s) selected and booked by **you** during the **policy period** through **your** FlyCovered Ground Cover+ account and shown on the documentation supplied to **you**. These days are known as **insured flying days** and must be purchased by **you** through **your** FlyCovered Ground Cover+ account.

Should **you** purchase **insured flying days** the documents confirming **your** purchase will be sent to **you** by email from the **administrator** and shown in **your** FlyCovered Ground Cover+ account.

It is important to note that:

**We** will not provide **flight** risk cover under this Policy unless **you** have selected and booked **insured flying days** through **your** FlyCovered Ground Cover+ account and **you** have received a confirmation email from the **administrator** containing a **certificate of insurance** for the days booked and the effective time of cover on those days for the said **aircraft**. Confirmation of **your** booking and a copy of these documents will also be available in the BOOK DAYS and MANAGE MY POLICY sections of **your** FlyCovered Ground Cover+ account.

**Your** selection and booking of **insured flight days** must include any day **you** require for the purpose of **advanced instruction** and any type of **flight** as covered by Endorsement 9 – Air Testing.

**Insured flying days** may be selected and booked prior to the day(s) required or on the same day through **your** FlyCovered Ground Cover+ account. Should **you** select and book an **insured flying day**:

- prior to the **insured flying day**; then, cover begins at 00.00 hours local standard time at **your** address on the day or the first day selected and booked should **you** select and book more than one consecutive day;
- on an **insured flying day**; then, cover will start at the time it is confirmed by the **administrator** and shown on **your certificate of insurance**.

**Your** selection and booking of **insured flying days** will always be confirmed by the **administrator** in an email to **you** containing a **certificate of insurance** for the day or days **you** have selected and booked. Confirmation of **your** booking and a copy of these documents will also be available in the BOOK DAYS and MANAGE MY POLICY sections of **your** FlyCovered Ground Cover+ account.

Any single **insured flying day** or consecutive period of **insured flying days** selected and booked by **you** must be completed at or before 23:59 hours local standard time at **your** address on the booked day or the last consecutive booked day, unless due to **force majeure**.

During the **policy period**:

- the number of **insured flying days** **you** have available to select and book will always be shown in **your** latest **certificate of insurance** and also in **your** FlyCovered Ground Cover+ account.
- the minimum number of **insured flying days** available to **you** to select and book is 1 day of 24 hours (that is, 00.00 hours local standard time at **your** address through to 23:59 hours local standard time at **your** address on the same day). Should a single **insured flying day** be selected, booked and used on the same day the **insured flying day** will expire at 23.59 hours local standard time at **your** address on the same day.
- the maximum number of consecutive **insured flying days** **you** may select and book is the number of unused **insured flying days** remaining in **your** FlyCovered Ground Cover+ account.

If any Pilot as covered by this Policy, only flies the **aircraft** or taxies the **aircraft** for the purpose of **flight** for part of a day this shall be considered as 1 **insured flying day** of 24 hours (being 00.00 hours local standard time at **your** address through to 23.59 hours local standard time at **your** address on the same day).

### **Cancellation of booked insured flying days**

**You** may cancel any booked but unused **insured flying days**. An **insured flying day** must be cancelled by **you** through **your** FlyCovered Ground Cover+ account prior to 23.59 hours local standard time at **your** address on the day before **your** intended **insured flying day** was due to start. Any booked and unused **insured flying days** **you** cancel will be credited to **your** FlyCovered Ground Cover+ account and will be available for use by **you** during the remaining **policy period**. There will be no additional charge for this.

### **Rollover of unused insured flying day(s) at your Policy renewal**

Should any **aircraft** have booked and unused **insured flying days** on the expiry date of the **policy period**, **we** will automatically rollover up to 7 of the unused **insured flying days** to the renewal policy provided **you** renew this Policy with **us**.

### **Price Cap and Unlimited Insured Flying Days**

Should the premium for this Policy and any additional premiums **you** have paid to **us** for **insured flying days** cost more than the FlyCovered "frequent flyer" annual premium **we** quoted to **you** when **you** purchased this Policy, **your** FlyCovered Ground Cover+ account will be credited with unlimited

**insured flying days** until the end of the **policy period**. Should **you** have more than one **aircraft** insured under this Policy this provision shall apply to each **aircraft** that meets the criteria.

**You** must continue to select and book **insured flying days** prior to or on the day(s) required through **your** FlyCovered Ground Cover+ account.

## IMPORTANT INFORMATION

### Information You Have Given Us

In deciding to accept this risk and in setting the terms, including the premium, **we** have relied on the information which **you** have provided to **us** via the **administrator**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- (a) treat this Policy as if it never existed;
- (b) decline all claims; and
- (c) retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (i) treat this Policy as if it never existed, refuse to pay any claim and return the premium **you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this Policy as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

**We** will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** 7 days' notice that **we** are terminating this Policy in accordance with paragraph (c) of the Cancellation and Cooling-Off Period paragraph below; or
- (2) give **you** notice that **we** will treat this Policy and any future claim in accordance with paragraphs (ii) and/or (iii), in which case **you** may then give **us** 7 days' notice that **you** are terminating this Policy.

If this Policy is terminated in accordance with (1) or (2) above, **we** will refund any premium due to **you** which will be calculated at a proportionate daily rate depending on the number of **policy days** and unused **insured flying days** remaining in **your** FlyCovered Ground Cover+ account until expiry of the **policy period**.

## Cancellation and Cooling-Off Period

### (a) Your Right to Cancel during the Cooling-Off Period

**You** are entitled to cancel this Policy by notifying the **administrator** by telephone on 0345 519 4678, by email to [info@flycovered.com](mailto:info@flycovered.com), or in writing to 3XD Limited, PO Box 672, Longridge, Preston, Lancashire, PR3 8AD within 14 days of either:

- (i) the date **you** receive this Policy; or
- (ii) the start date of the **policy period**;

whichever is the later.

If this Policy is cancelled before the start date of the **policy period** a full refund of any premium paid will be made, otherwise any return of premium due to **you** will be calculated at a proportionate daily rate depending on how long the Policy has been in force unless **you** have made a claim in which case the full premium is due.

If this Policy is a renewal of **your** expiring policy with **us**, then **we** will not return any premium for any booked and unused **insured flying days** that were rolled over from **your** expiring policy.

### (b) Your Right to Cancel after the cooling-off period

**You** are entitled to cancel this Policy after the cooling-off period, if applicable, by notifying the **administrator** by telephone on 0345 519 4678, by email to [info@flycovered.com](mailto:info@flycovered.com), or in writing to 3XD Limited, PO Box 672, Longridge, Preston, Lancashire, PR3 8AD.

Any return of premium due to **you** will be calculated at a proportionate daily rate depending on the number of remaining Policy days in respect of the unexpired **policy period**;

If **you** have purchased and not used **insured flying days** in your Ground Cover+ account, the return premium due to **you** for these days will be calculated at a proportionate daily rate from the date of purchase and the days remaining on the policy. The premium for used **insured flying days** will not be returned to **you**.

Should **you** have made a claim the full premium is due to **us**.

If this Policy is a renewal of **your** expiring policy with **us** then, in the event that **you** decide to cancel this Policy after the cooling-off period, any return of premium due to **you** will be calculated at a proportionate daily rate depending on how long this Policy has been in force unless **you** have made a claim in which case the full premium is due. The premium for used **insured flying days** will not be returned to **you**. **We** will not return any premium for the unused **insured flying days** that were rolled over from **your** expiring policy.

### (c) Our Right to Cancel

**We** are entitled to cancel this Policy, if there is a valid reason to do so, including for example:

- (i) any failure by **you** to pay the premium or premium instalment by the due; or
- (ii) a change in risk occurring which means **we** can no longer provide **you** with insurance cover; or

- (iii) non-cooperation or failure to supply any information or documentation **we** request, such as details following an event, circumstance, **occurrence** or **aviation incident** in accordance with Endorsement 16 – Pilot's Personal Accident; or
- (iv) threatening or abusive behaviour

by giving **you** 7 days' notice in writing.

Any return of premium due to **you** will be calculated at a proportionate daily rate depending on the number of remaining **policy days** in respect of the unexpired **policy period**.

If **you** have purchased and not used **insured flying days** in your Ground Cover+ account, the return premium due to **you** for these days will be calculated at a proportionate daily rate from the date of purchase and the days remaining on the policy. The premium for used **insured flying days** will not be returned to **you**.

Should **you** have made a claim the full premium is due to **us**.

If the premium for this Policy is being paid in instalments and there is a claim on the Policy, any outstanding premium instalments shall become payable immediately.

In addition to the above Cancellation and Cooling-off Period Section, **your** attention is drawn to the following additional cancellation and termination provisions:

#### (c) Total Loss

If **we** settle a claim on the basis of a **total loss we** will pay the Agreed Value of the **aircraft** as shown in Item 3 of the **schedule** less any applicable **deductible** shown in Item 6 of the **schedule**.

#### (d) Salvage

If **we** settle a claim on the basis of a **total loss, we** may take the **aircraft** together with all documents of record, registration and title as salvage and the cover afforded by this Section is terminated in respect of such **aircraft** even if the **aircraft** is retained by **you** for valuable consideration or otherwise.
