2. Liability to UAS Operators
3. Chemical Legal Liability

What is not insured?

We will not pay any claim that relates to:

- ✗ bodily injury sustained by anyone employed by you.
- ✗ property damage to any property belonging to you or the UAS operator or in your/their care, custody and control
- ✗ the presence (or threatened presence) of asbestos.
- ✗ liability arising from an air meet, air race, air show nor any stand used for accommodation of spectators.
- ✗ seepage, pollution or contamination unless optional additional coverage 6 is purchased.
- ✗ operation of an airfield control tower.
- ✗ war and related perils (including cyber act) in respect of premises liability, invasion of privacy and noise liability

Are there any restrictions on cover?

- !! illegal use of the UAS or use for any purpose other than business and commercial activities.
- !! taking off, landing or attempting to do so in a place not recommended by the UAS manufacturer unless due to a forced landing or due to force majeure.
- !! UAS or UAS spares not packed in accordance with manufacturers guidelines or secure case when in transit, storage or not in use.
- !! claims payable under other insurance.
- !! liability assumed or rights waived under any agreement.
- !! you warrant that you will satisfy all of the following warranties before the insurer can be liable or for any applicable coverage to apply.

Cover shall be suspended until the breach of warranty is remedied (and section 11 of the Insurance Act 2015 shall not apply, so that there need be no causal link between the breach and the loss, damage or liability):

- during the Policy period, the UAS operator is required to hold every permission, licence and certificate legally required to perform the activities covered in each country in which they operate (where applicable). Where specific permissions / licences / certification is / are not required for the activities covered in a particular country the UAS operator is to comply with the regulations / requirements for UAS operations in that country.
 - you shall comply with all international and national regulation, with air navigation and airworthiness orders and requirements issued by any competent authority affecting the safe operation of the UAS, and shall ensure that:
 - the UAS is airworthy at the commencement of each flight;
 - all log books and other records in connection with the UAS which are required by any official regulations in force from time to time shall be kept up to date and shall be produced to the insurer or their agents on request;
 - your employees and agents comply with such orders and requirements.
 - each UAS will not exceed thirty (30) kg.
- any UAS with inbuilt 'Return to Home' function will have it set to 'on' at all times except where the UAS is over water when it is set to return to a suitable fixed location on land or vessel.
